

Small(er) Parties (Non-Private)

See our FAQs @ freeplayarlington.com for more information!

Can I reserve a table?

Yes! You may reserve up to two tables in our dining area. We charge a hold fee of \$10 per table. We recommend reserving tables for any weekend event as our dining area is often full during the weekend. We also have two patios that seat ~40 that are semi-private and can be reserved for \$100 for a four-hour event.

Can I buy drink tickets for a non-private party?

Yes! Drink tickets are \$5 per drink ticket and include all available beverages priced \$6 or less. If purchasing, a minimum of 10 drink tickets is required. Please note that drink tickets are non-refundable. In addition, all beverage options may be purchased a la carte at their regular menu prices.

Can I pre-order food?

Yes! If you'd like to provide food for your guests, pre-ordering food is the best way to ensure that your food arrives when your party needs it. Pre-ordered food must be ordered and confirmed 48 hours prior to service and paid for immediately upon your arrival on the day of the party/event. When arranging pre-ordered food please provide a "ready by" time and arrive at least 30 minutes prior to that time in order to finalize payment.

Can I decorate for a non-private party?

Tablecloths and balloon bunches are great. Anything that needs to be hung on the wall is not. We want your party to be memorable but not due to the damage it causes to our facilities! If you have any questions, we're happy to help.

Can I bring in a cake or other outside food/drink for a non-private party?

Celebratory desserts, such as cake, are absolutely permitted. We have plain black plates and forks available if you choose to use them. Any other outside food or drink is not permitted.
